3. private room, semi-private room, high dependency unit, coronary care unit, intensive care unit or isolation card ward (for in-patient only)
4. reimbursable charges covered by any effective medical insurance scheme.

C. Procedure

1. Pre-registration: Personal information of eligible persons would have to be submitted to the Hospital by the church/institution through the BCHK for record. Successful application will enjoy the discount of hospital charges as defined above.
2. Identification: Eligible persons should duly identify oneself and notify the Hospital of medical insurance cover upon registration. Children age 18-21 must show valid student card upon registration and at cashier.
3. In-patient Medical Insurance beneficiary: The beneficiary should notify the Hospital of such insurance cover at time of registration for service, and subsequently the amount reimbursed. Discount will then be applied to the outstanding charges not covered by the insurance. Application should be applied within 2 months after insurance claims. Application procedure of the discount:
 - Application documents: completed application form "Baptist Convention Member Discount – Application for Refund of Balance After Insurance Claims", original or insurance company's certified true copy of invoice, original or insurance company's certified true copy of official receipt, original claims settlement statement, stamped return envelope.
 - If there are more than one insurance claim, all original or insurance companies' certified true copy documents must be submitted simultaneously.
 - Send the application documents to Pastoral Care Department, Hong Kong Baptist Hospital, 222 Waterloo Road, Kowloon.

Note:

- ^ Applicable to those general and specialty clinics that are provided at Hospital except Oncology, Cardiology and O&G.
- # Applicable to those specialty clinics that are provided at EKMC except Dermatology, Plastic Surgery, Oncology, Cardiology, Gynaecology and Dental Service (and other new specialty services that will be added to EKMC later on).

The Hospital reserves the right of final decision on the interpretation of these Terms and Conditions.
